Heavy Duty Chair Dolly

1. Seat Cushion Options: 2.0 lb. BLUE, Dual Density UltraFoam, and 3 lb. UltraFoam Firm available in a variety of seat configuration options.

2. Interlocks: Radius interlocks allow enough space to make a semi-circle. Retractable interlocks also available on all models.

3. Bookrack: Accessible from the front and rear with 2 book capacity; available on select models.

4. Space Saver Seat: For a more traditional look, the space saver seat can be added in 18" or 16" widths.

5. Sytex Suspension Seat: For extra comfort and a traditional look in the space saver seat configuration, consider the Sytex suspension seat.

6. Clear Glides: Clear plastic glides complement any chair; recommended on floors that tend to show scuff marks.

7. Arms: Arms are available on selected models. Chairs with arms are still stackable up to 10 chairs high.

8. Interlocking Arms: Available on all Impressions™ 7 Series; stackable 6-8 high.

9. Embroidery: Your custom logo available in embroidery. Set-up fees apply.

10. Chair Dolly: Choose from standard under-the-feet or loop under-the-seat. Both chair dollies are specifically designed to safely transport stacks up to 8 chairs.

Also Available on Select Models: Extra Lumbar Support – The addition of a foam-poly lumbar enhances any chair. Floor Anchors – Anchors for creating permanent/fixed row seating. Frame Alterations – Alterations to accommodate sloped floors or special height requirements.
